Travaasa Custom • •

Let our highly skilled massage therapists create the perfect blend of massage techniques and pressure to suit your needs. Choose your oil aroma and music for a truly custom experience.

Sacred Stone Massage •

Combining the soothing feel of a Swedish massage with the therapeutics of Deep Tissue, this treatment uses heated basalt stones to invite deep relaxation and cool marble stones to stimulate your immune system and soothe inflammation.

Therapeutic Muscle Relief •

An intensive therapy designed to target the muscle groups you demand maximum output from. Hot towels steeped in an herbal blend and organic massage balm infused with essential oils penetrate and soothe during this therapeutic massage.

Grounding Birchwood Sticks •

This treatment uses smooth sticks from the Birchwood tree, long a symbol of renewal. Intensive massage techniques release tension and induce relaxation. You will leave this massage feeling restored for a new day.

Blissful Relaxation •

Melt away the stress of the day with a relaxing Swedish massage enhanced with bliss inducing aromatherapy, hot stones and a relaxing herbal tea.

Watsu Aquatic Massage •

Float and move gently through 96°F water as one of our massage therapists supports your weight. Watsu's gentle and deep stretches take pressure off joints, and frees the spine for greater movement and tension relief.

body treatments

Hill Country Honeybee Massage & Body Treatment •

Skin is nourished and moisturized with organic honey, propolis, ginger and rosemary. Tension, sore muscles and stress are relieved with a myofascial massage using warm organic honey and ginger massage oil. Ends with a nourishing facial massage using a shea butter-, Tamanu oil- and essential oil-infused balm.

Purifying Cocoon Body Wrap •

Relax your muscles and encourage the elimination of toxins. Begin with an organic sugar exfoliation layered with locally-sourced clay infused with organic purifying essential oils. A cozy hot wrap aids in drawing out impurities, followed by a warm oil application to seal in moisture.

Hāna Cocomint Escape •

Escape to our Hāna, Maui resort with a hydrating, gentle milk scrub and body wrap followed by a warm coconut, mint and cocoa butter massage to help relax your muscles and ease away stress. End with an aloe vera and coconut oil facial massage to soothe and heal stressed skin.
