 TRAVAASA
EXPERIENTIAL RESORTS®
Hāna Maui

Travaasa was created on a dream of what travel could and should be. It's the best of what happens during travel—the way a journey is meant to be taken. It is the discovery of a place, its people, yourself, and the stories that define your life.

Those Aha Experiences.

When will your *aha* experience be? Will it be while taking in the scents of hibiscus, plumeria and ginger, watching the sun rise on a midnight blue Pacific, discovering Maui's many hidden waterfalls or riding horseback along Hāna's scenic coastline? Maybe while listening to the sound of waves crashing against a black sand beach, tasting sweet Hawaiian mango or casting your net out onto Hāna Bay? Will you find it as you create your own

lei, learn the 'ukulele (which means "jumping flea" in Hawaiian) or holo-holo by bike around Hāna town? It might even come as you indulge in the body-healing lomilomi massage—a treatment unique to Hawai'i—at our award-winning spa.

We can't tell you when it will come, but we know that it will—and that it will be unlike anything else you've experienced.
